Days to Maturity

95-105

Product Description

High percentage of large, dark seed. Very good yield potential with improved test weight. Shorter and earlier maturing.

9=Excellent, 1=Poor.

Numbers are given only as a guide. All ratings are subject to cultural practices and environmental conditions. Ratings and descriptions are based on research and field observations collected by Triumph Seed from multiple locations over multiple years. They represent comparisons with other Triumph products only.
