Days to Maturity

89-99

Product Description

Downy Mildew resistant NuSun hybrid. Most upright head angle of the short stature hybrids. Shortest of the short statures! Faster maturity for later planting or northern markets.

9=Excellent, 1=Poor.

Numbers are given only as a guide. All ratings are subject to cultural practices and environmental conditions. Ratings and descriptions are based on research and field observations collected by Triumph Seed from multiple locations over multiple years. They represent comparisons with other Triumph products only.
